TEXAAN Member Spotlight

Chyanne Bryant is finishing up her 2nd term as our Academic Guidance Forum Chair. While serving in this role, she has overseen the creation of multiple new initiatives in coordination with her co-chair and the secretary for the Forum. Chyanne also played a role in the success of the 2022 TEXAAN Conference, coordinating the Conference dance moves and assisting wherever she was needed to make the conference go smoothly.

Chyanne is an important member of the Austin Community College Advising team and she has only begun to make an impact as a leader with ACC and as a TEXAAN Member. We are very proud of the work she has done!

How can we make our current systems and advising processes better? How can we connect with online students during virtual advising, and make sure they receive the same resources that in-person students do? What struggles are you facing as an academic advisor? What is working well for you and your colleagues? Come join us for a great time of Networking and Learning!
